

3LENS PIN LED-Spotlight ME Series

Spotlighting and illumination of paths, squares, buildings, facades, trees, sculptures or logos

Information

The proven 3LENS PIN Module as a compact spotlight with a magnetic mount. The 3LENS PIN LED magnetic spotlight is a powerful spotlight with a swiveling and rotatable ball joint. Installation is quick, easy, and requires no tools – via magnetic fastening. The built-in LED technology including a heat sink, a 3LENS PIN module supplemented by a wide selection of high-performance lenses. Thus, making this spotlight a versatile all-rounder. Whether as an on-top solution on a street lamp or for illuminating paths, squares, buildings, facades, trees, sculptures, or logos – the 3LENS PIN LED spotlight convinces with its easy attachment and long service life.

Technical Informations

Anschlusskabel:	Silikonleitung, Ø5,0mm, Mantelfarbe schwarz
Befestigung:	LED lighting unit on carrier plate made of stainless steel with magnetic ball joint for effortless individual adjustment. Brass body with internal thread M5
Breite:	80 mm
Farbe:	black
Farbtemperaturen:	3000K, 4000K, 5000K, 5700K , 2700K, 3500K
Gehäuse:	Anodized aluminum heatsink
Höhe:	157 mm
Länge:	55 mm
Lebensdauer:	L70 > 60.000h
LED-Raum :	Protection level IP68
Optisches System :	High-performance lens system ME made of PMMA
Verwendung:	Spotlighting and illumination of paths, squares, buildings, facades, trees, sculptures or logos

BRAUN Lighting Solutions e. K. is a participant in the export initiative "Energie Effizienz – made in Germany", initiated by the Federal Ministry for the Economy and Technology. Due to the complexity of the many possible combinations of drivers and LED modules, the values shown for technical LED parameters, including performance parameters, are typical. Actual values of specific products in specific configurations may vary from these typical values. The information and diagrams contained in this document do not constitute an offer or contractual obligation. Product parameters may change as a result of technical innovation and will be undertaken without prior notice. Our manufacturing conforms to DIN EN and VDE regulations; the product conforms to European EMC regulations.
