

Saturn HighBay 1

Halls • Large areas • Industrial and building lighting

Information

- LED Industrial High Bay Light
- FuturePROOF > all components independently changeable
- Optimized for 1:1 replacement in commercial halls
- Replaces conventional High Bay lamps up to 400W
- Optimized for sustainable energy-efficient lighting
- Ready for connection and easy to install and maintain
- Easy installation guarantees fast changeover times
- Large light-emitting and extremely powerful light output
- Highest efficiency of all system components - longLIFE
- Different light distributions possible
- Vibration-resistant
- ThermoProtect System against overheating of the LED
- Optional: various control options
- Optional: external control by radio

Technical Informations

Betriebsgeräte:	CE ENEC DALI 0-10 1-10V (Dim-to-Off)
Breite:	260 mm
Farbtemperaturen:	3000K, 4000K, 5000K
Garantie:	5 years
Gehäuse:	Aluminium
Gewicht:	6,5 kg
Höhe:	655 mm
Lebensdauer:	L80 60.000 - 100.000 h
Leistungsaufnahme :	100 Watt
Lichtstrom:	12200lm on 5000K
Lichtverteilung:	symmetrisch 88°, symmetrisch 54°, symmetrisch 42°, symmetrisch 29°
Optische Abdeckung :	Safety glass
Schaltfunktionen:	Eco (on/off) Basic E1 Light E2 DALI
Verwendung:	Halls • Large areas • Industrial and building lighting
Zulässige Betriebsspannung:	100-240VAC, 50/60Hz
Zulässige Umgebungstemperatur:	- 40°C up to 50°C

BRAUN Lighting Solutions e. K. is a participant in the export initiative "Energie Effizienz – made in Germany", initiated by the Federal Ministry for the Economy and Technology. Due to the complexity of the many possible combinations of drivers and LED modules, the values shown for technical LED parameters, including performance parameters, are typical. Actual values of specific products in specific configurations may vary from these typical values. The information and diagrams contained in this document do not constitute an offer or contractual obligation. Product parameters may change as a result of technical innovation and will be undertaken without prior notice. Our manufacturing conforms to DIN EN and VDE regulations; the product conforms to European EMC regulations.
