

# MASS-LEDlight BigPIN

Optimized for integration in commercial halls

## Information

- LED Industrial High Intensity Lamp
- Optimized for integration in commercial halls
- Replaces hall spotlights up to 150W
- Simple installation guarantees fast conversion times
- Can be integrated into existing lighting systems
- Optimized for sustainable energy-efficient lighting
- Futureproof through exchangeable LEDs and reflector system
- High performance heatsink made of aluminum
- Optional: Various control options available

## Technical Informations

CRI :	> 80
Farbtemperaturen:	3000K, 4000K, 5000K
Gehäusemaße :	Ø120mm x 110mm
Gewicht:	0,6 kg
Leistungsaufnahme :	75 Watt
Lichtstrom:	11908lm on 5000K
Lichtverteilung:	29° , 42° , 54° , 88°
Verwendung:	Optimized for integration in commercial halls
Zulässige Betriebsspannung:	100-240VAC, 50/60Hz
Zulässige Umgebungstemperatur:	- 30°C up to 45°C

BRAUN Lighting Solutions e. K. is a participant in the export initiative "Energie Effizienz – made in Germany", initiated by the Federal Ministry for the Economy and Technology. Due to the complexity of the many possible combinations of drivers and LED modules, the values shown for technical LED parameters, including performance parameters, are typical. Actual values of specific products in specific configurations may vary from these typical values. The information and diagrams contained in this document do not constitute an offer or contractual obligation. Product parameters may change as a result of technical innovation and will be undertaken without prior notice. Our manufacturing conforms to DIN EN and VDE regulations; the product conforms to European EMC regulations.

BRAUN Lighting Solutions  
Nunsdorfer Ring 2-10  
12277 Berlin
