

# Gas-Pendant Light 9

## Information

The gas pendant lamp 9 is a faithful reconstruction of the A-11 model. This gas lamp achieves an excellent illumination, with a highly brilliant and natural color rendering. This golden-yellow illumination makes the surroundings appear lively and natural. High quality materials guarantee its longevity. The lamp is very easy to maintain due to a hinged maintenance opening and a fold-down glass dome. Due to its rotationally symmetrical light distribution, this luminaire is ideally suited for the illumination of squares, streets, residential areas, green spaces and driveways.

## Technical Informations

Befestigungsschnittstelle :	G1/2 inch external thread
Breite:	ca. 460 mm
Gasverbrauch:	at constant operating pressure of 24 mbar: 0.225 m <sup>3</sup> /h
Gehäuse:	Made of weather-resistant natural aluminum
Gewicht:	ca. 11 kg
Glasglocke :	borosilicate glass; Execution: open at the mouth On request and at extra cost, paint finishes according to the RAL color table and special FerroGrip paint finishes are possible.
Höhe:	ca. 751 mm
Reflektor:	Sheet metal, enamelled, white
Scharniere und Verschlusssteile :	Stainless steel or galvanized sheet steel
Sonstige Leuchtenbauteile :	galvanized or hot-dip galvanized steel
Verteilungskammer   Flammen :	9
Vorbereiteter Gasglühkörper :	Socket 1562
Zubehör:	

BRAUN Lighting Solutions e. K. is a participant in the export initiative "Energie Effizienz – made in Germany", initiated by the Federal Ministry for the Economy and Technology. Due to the complexity of the many possible combinations of drivers and LED modules, the values shown for technical LED parameters, including performance parameters, are typical. Actual values of specific products in specific configurations may vary from these typical values. The information and diagrams contained in this document do not constitute an offer or contractual obligation. Product parameters may change as a result of technical innovation and will be undertaken without prior notice. Our manufacturing conforms to DIN EN and VDE regulations; the product conforms to European EMC regulations.
